Preface

The school has developed its own student’s welfare policy and practices within the framework of the Student Welfare Policy. The policy has been extensively revised to assist the school to put together existing good practice and to incorporate current training perspectives. The school has a clear school rules which are known and understood by all school community members.

This Students Policy is a result of an analysis of experiences in the day to day training activities including students’ affairs at TATCOT and similar institutions. Responsibilities of each part i.e. students and the school significantly were analyzed.

I wish to acknowledge the work of the review committee led by Mr. Aston Ndosi and all those whose contributions facilitated completion of this Policy students document. The Policy and Operational Procedures will be subject to revision as need arises to match with prevailing conditions.. Students and TATCOT staff at large shall implement the policy in their respective positions as is relevant and required.

1 INTRODUCTION

TATCOT seeks to provide quality training for students, taking account of their background, ability and interests. TATCOT school help students to become self directed, lifelong learners who can create a positive future for themselves and for the wider community.

For this to occur, the school needs to be a place where every student can learn and grow with confidence. Students develop best in schools where teaching and learning occur in a context of student welfare.

Schools need to be safe and happy places for students and their teachers. Student welfare is enhanced when all members of the school community participate in the learning programs and life of the school.

The school has developed its own student welfare policy and practices within the framework of the Student Welfare Policy, introduced in 2018. The policy has now been extensively revised to assist the school to build on existing good practice and to incorporate contemporary training perspectives.

With the release of the Students Welfare Policy it is now timely for TATCOT community to:

- Review student welfare, including discipline
- Determine key issues for action.
- Develop action plans relating to student welfare.
- Implement student welfare actions and the school discipline policy.
- Review student welfare within the school's ongoing planning and reporting processes.
1.2 Student Problems

Students face pressures in a range of ways, and can encounter problems in areas of:

- Personal and family circumstances
- Mental or physical health
